

 MEEDAN EVENT

How to explore 1,000 years of Muslim Science in 2 hours

A new exhibition at the Science Museum in London is celebrating 1000 years of science and innovation from the Muslim world.

The exhibition, entitled 1001 Inventions, combines displays of innovation from the fields of maths, medicine, astronomy, geography and chemistry, among others, and encourages visitors to discover the "hidden story" of Muslim scientific advances.
