### 1001 Inventions Exhibition

**Organizer:** Academic Foundation for Science, Technology and Civilisation (FSTC)

**Period:** 94

**From:** 22-01-2010 **To:** 25-04-2010

**Location:** Science Museum

**City:** London, United Kingdom

"Inventions: Discover the Muslim Heritage in Our World" is a global educational initiative that promotes awareness of the scientific and cultural achievements of Muslim civilization during the Middle Ages and how those contributions helped build the foundations of our modern world. Featuring a diverse range of exhibits, interactive displays and dramatization, the exhibition shows how many modern inventions, spanning fields such as engineering, medicine and design, can trace their roots back to Muslim civilization.
