

Muslim scientists inventions

London Museum showcases Muslim scientist's inventions In cooperation with Abdul Latif Jameel Community Services Program, 1001 inventions, an exhibition showcasing the inventions of Muslim scientists, will continue to be displayed in London's Science Museum for a longer period until the end of June 2010. The exhibition organized under the theme "Discover the Muslim heritage in our world" is aimed at introducing 1000 years of amnesia of Muslim science and technology, starting from the seventh Gregorian century to the present. The exhibition shed light on the scientific heritage of Muslim civilization and its contribution to the development of science in the world.
