

1001 inventions: exhibit helps people discover muslim heritage throughout our world

New York City : NY : USA | Apr 03, 2011

Apr 3, 2011 18:49 The story of One Thousand and One Nights helped shape a certain stereotypical understanding of Islamic culture here in the West. Now an exhibition called 1001 Inventions: Muslim Heritage in Our World, which opened in December 2010 in New York Hall of Science, focuses on the reality... [FULL ARTICLE](#)
